

REVIVE VIRGINIA 2026 TRUNK OR TREAT PARTICIPATION GUIDELINES

We're keeping it easy and fun! No advance registration is required.

Trunk spaces will be available on a first come, first served basis.

- Please park along Chestnut Street in any of the open parking spaces.
- Participants should plan to arrive early enough to park, decorate, and be ready before the event begins at 3:00 pm.
- Decorations should be family-friendly and appropriate for children of all ages. Spooky is encouraged, but please avoid anything overly graphic, violent, frightening, or otherwise inappropriate for young children.
- A few simple guidelines:
 - ✓ Decorate your trunk, vehicle, or parking space with a fun Halloween theme.
 - ✓ Bring enough candy or treats to hand out throughout the event.
 - ✓ Store-bought, individually wrapped treats are preferred.
 - ✓ Costumes are encouraged!
 - ✓ No alcohol, tobacco, weapons, open flames, or unsafe props.
 - ✓ Vehicles must remain parked during the event unless directed otherwise by event organizers.
 - ✓ Please keep decorations within your assigned parking area – one parking space per person – let's keep the sidewalks and walkways between cars clear.
 - ✓ Participants are responsible for cleaning up their space before leaving.

Event organizers reserve the right to ask that any decoration, costume, prop, or activity that is considered unsafe or inappropriate for a family event be removed.
